

# Take the Coolfood Pledge with Nourish

**Striving for 100 hospitals with healthy, sustainable menus by 2026**

## Thank you for your interest in Coolfood!

Coolfood is a globally recognized, user-friendly way to quantify the climate impact of the food you purchase, created by the World Resources Institute (WRI) and shared with Canadian hospitals in partnership with Nourish. By using this tool and committing to taking steps toward reducing your greenhouse gas (GHG) emissions, you will join a movement of organizations recognizing the link between the health of people and the planet, and ready to make change! With Coolfood, your food purchasing records are transformed into a personalized climate impact report that can jumpstart organizational innovations to reduce that impact, and test each innovation's success.

**98% of Coolfood hospitals have reduced emissions!**

See an important topic related to sustainability in food that we haven't covered? Contact us today to start the conversation about what you need.

## Virtual Meetups

Our COP members have planned connection points to hold meaningful conversations on topics like food waste reduction, culturally mindful dishes, and plant-forward hospital menus. We invite thought leaders to join the call and showcase what's working throughout Turtle Island. Invitations are sent to all listed team members and are optional but highly recommended.

## How to Join

[Click Here](#)

### Fee:

Joining Planetary Health Menus comes with an annual fee of \$1000. This invoice will be sent when you join.

### Renewal Process:

The Coolfood agreement is set up to auto-renew, however, we like to take a personal approach to your ongoing involvement, in a 3-2-1 model.

- **3 months** before your renewal date, you'll receive an email prompt reminding you of this date
- **2 months** before your renewal date, a member of the Nourish team will reach out and make a plan with you
- **1 month** before your renewal date, we'll ensure your wishes to renew or complete the program are honoured, including payment if applicable

### Typical timeline:

1. Organization expresses interest and discusses any questions with the Nourish team
2. Organization fills out the [registration form](#) which triggers an email from the Nourish team with the Coolfood agreement and an invoice for the annual fee
3. Organization sends back signed agreement and payment
4. Nourish supports data submission, report review, and ongoing projects, and sends invites to member-only webinars and virtual meetups
5. See Renewal Process listed above

Coolfood Hospitals have reduced GHG emissions by 13%
